Instal Pro-Tex 1300 in new 16' hoodrestal Pro Tex L4600 in new 14' hood	
Install fire alarm system with occupant notification on 2nd floor space only of occupancy change as well as integrate to existing sprinkler system to provide supervision.	
Install Fire alarm system with occupant notification on 2nd floor space only of occupancy change as well as integrate to existing sprinkler system to provide supervision.	
Space # 017 TI wall fixtures, 12 Branch Circuits & 20A HP Breaker are new	
LED retrofit of existing lighting.	
Install (1) 1'-0" x 4'-11" Illuminated Wall Sign (Replaces Existing)	
Remodel after fire: floor drain, sink/dishwasher, trap primer 30' waste, 20' water line	
outdoor heat pump only, push/pull installation	
Gas wall furnace 40,000 BTU, push/pull installation	
remodel after fire: floor drain, sink/dishwasher, trap primer 30' waste, 20' water line	
New plumbing for accessory building	
Build a ramp	
Shed Be Built	
Dry Rot: Beams interior like for like & outside siding	
The IMG-1841 the center wall has some dry rots and needed to be replaced. The value about \$500.	
The IMG-1842 the north side and the west side of the building the siding are also rotten, so part of the siding needs to be replaced also.	
Please let me know if anything I can do.	
Change of use/occupancy: from Medical Clinic to resale shop Suite A only, no structural changes	
Change of Use/Occupancy: Escape room Suite 1	
The bark in the front planers is going to be raked away from the building. The contractor is going to power wash the metal siding and the brick. The brick will be sealed. The sealant at the brick control joints will be replaced. The monument sign cut from wall get washed and painted.	
The exterior steel guard rails will be replaced with stainless steel in the exact same configuration as they current are. There are a couple interior wood window sills that get replaced. One window leaks so we are going to take it c and put it back the right way. The gyp, base, carpet will get fixed. Paint will be involved. One exterior door gets removed and infilled with glass. There are multiple locations where we are cutting in gyp board control joints. We are also going to paint those walls. Rubber base will be involved.	
A leak is going to be investigated at Office 115. We'll know more once that is opened up. A ledger at the north star landing has sagged and we are going to give it a big old push up and fasten it properly. A handrail at the main stair needs fix. This will also involve paint.	
All the exposed wood at the ceiling and eaves gets refreshed.	
The whole roof comes off and a new one goes on:	
-Roof hatch added	
-Fl protection replaced.	
-Relief hoods replaced.	
-All the portions of roof that are continuously insulated above the deck we are removing and replacing the insulation and all vapor barrier.	
I'm sure there's some stuff I have already forgotten, but it's all on the drawings.	
Construction of bathroom/gala facility for the city of Lincoln City.	
Change of use/occupancy no change in structure	
Wall sign for Miken Ice Cream Shop in the interior of the mall on suite 301. No sign permit needed.
