

Subject: NE 58th Roadway Improvement Project – Construction Notice

The NE 58th Roadway Improvement Project is scheduled to begin **March 20, 2026**. The contractor will begin installing erosion control measures and setting up traffic control to maintain access for residents during construction.

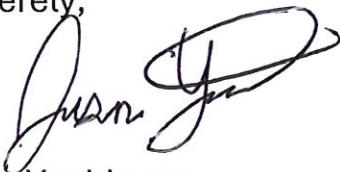

Please expect traffic delays throughout the construction period as we work to improve the condition of NE 58th Street. The project's official completion date is **July 1, 2026**; however, we anticipate that the roadway reconstruction will be completed by **early May, 2026**.

Thank you for your understanding and patience during this important infrastructure improvement.
